

Get MyIntegra in the palm of your hand

Our upgraded portal is now conveniently available as an app

myintegra

NDIS Plan Management

Our participants, nominees and support coordinators love the convenience our portal offers – so we decided to take it up a notch.

You can now access everything you need directly from your smartphone with the brand new MyIntegra App. All the perks of the portal in the palm of your hand? Yes please!

Why you'll love our app

Want to know why participants, nominees and support coordinators alike have fallen for our app?

All the power of our portal is now available in the palm of your hand, so you can:

- Approve invoices at the touch of a button
- Keep up to date with your budgets in real-time
- Raise invoices immediately
- Reserve funds directly from the app
- Support Coordinators or Nominees can check multiple accounts at the same time

... and so much more. But, hey! – you'll just have to download it for yourself to find out.

Need some tech help?

If you would like help or have any questions, then please don't hesitate to contact our friendly team.
